

port said university: port said university started with the decision of the president of the republic on 24/2/2010 to transfer suez canal branch in port said to an independent university. The history of the university extends before the decision of its establishment as the existence of its first faculties was the faculty of engineering in 1975 under the supervision of Helwan University then under the supervision of Suez Canal University when it was established in 1976. After that more faculties were established in Port Said Governorate increasing to four faculties prompting the decision of establishing Port Said University as a branch of the Suez Canal University. In 1998 the wise decision of the Republic President for establishing Port Said University in 2010 was the result of the continuous increase of the faculties outreaching nine educational institutions. Now Port Said University consists of thirteen faculties including faculty of engineering, faculty of medicine, faculty of pharmacy, faculty of science, faculty of commerce, faculty of education, faculty of physical education, faculty of specific education, faculty of nursing, faculty of education for early childhood, faculty of arts, faculty of law and faculty of management technology and information systems.
